PROMOTING JOURNALISM ACROSS REGIONAL VICTORIA

Graeme Samuel to address the Rural Press Club of Victoria

Water, fertiliser, fuel, supermarket power and telecommunications are issues vital to rural Australia and all are under the microscope of the Australian Competition and Consumer Commission. The ACCC aims to ensure that individuals and businesses comply with competition, fair trading and consumer protection laws.

Leading the charge is ACCC chairman Graeme Samuel AO. Mr Samuel, who has been chairman since August 2003, will present his insight into these issues and many others when he addresses the Rural Press Club of Victoria.
